OUR STORY

Small details, lasting meaning.

How a simple belief - that jewellery can carry the moments we want to keep close - became Kridhya.

01 I · The beginning
02 II · The design
03 III · Your story

I · THE BEGINNING

Kridhya began with a simple belief

That jewellery can carry the moments we want to keep close. What we wear says something about who we are - and the pieces we return to most often are the ones that remind us of a person, a place or a feeling.

Our pieces are made to move easily between the everyday and the occasion, to be layered, gifted and worn for years.

“Jewellery is more than
something we wear.”

II · THE DESIGN

Guided by symbols that last

From the endless line of the infinity loop to the quiet bloom of the lotus, our designs draw on shapes that feel timeless - simple enough to wear daily, meaningful enough to mark a milestone.

Each silhouette is refined for balance and comfort, so it feels as natural on the hundredth wear as on the first.

III · YOUR STORY

Made to be part of your story

Whether it's a gift chosen for someone you love, or a piece you choose for yourself, we hope Kridhya becomes part of the moments you remember.
